Response

Prior to UKAD's formation, the functions of the UK National Anti-Doping Organisation, including responsibility for testing, sat within UK Sport.
4. It may assist you to know that we hold historical testing records for limited periods of time, in accordance with the WADA International Standard for the Protection of Privacy and Personal Information ('ISPPPI'), available [here](#). To this end, UKAD advises that its data retention policy is as follows:
 - a. to hold details concerning any unsuccessful (i.e. missed) test(s) for a period of eighteen (18) months;
 - b. to hold details concerning any successful (i.e. completed) test(s) for a period of eighteen (18) months, subject to (c) below; and
 - c. where:
 - i. a successful test results in either an Adverse Analytical Finding, Atypical Finding or possible Anti-Doping Rule Violation; and/or
