Hi [REDACTED]

[REDACTED] has forwarded me your email regarding Mr Carr. I am [REDACTED] at the RFL and lead on these matters with [REDACTED]. It would be good if we could get the Notice of Charge from UKAD – I will also need to let the Club know as the Player will have to be suspended this weekend. I will of course keep the reason confidential for now, but obviously they have to be advised he cant play.

Thanks

Subject: [OFFICIAL] - Adam Carr | Adverse Analytical Finding

Good afternoon [REDACTED]

By way of introduction my name is [REDACTED] and I recently joined UKAD as a [REDACTED]

We have received (and independently reviewed) an Adverse Analytical Finding for clenbuterol for Adam Carr. The Sample was collected at a Rochdale Hornets squad test on 9 December 2019.

As a result we will be issuing a Notice of Charge to Mr Carr this week.

When possible, could you please send me through copies of the following:

1. Mr Carr's current contract with the Rochdale Hornets; and
2. Mr Carr's professional registration form with the RFL.

As I am sure you understand this remains confidential until the Notice of Charge has been issued so please refrain from speaking to Mr Carr about this in the meantime.

Many thanks,

[REDACTED]
